

EUROPEUM Institute for European Policy in cooperation with Glopolis and Heinrich-Böll-Stiftung Prague, under the auspices of the UN Information Centre Prague, present the agenda for the pilot edition of the project:

# Prague Climate Talks: Renewable energy in the V4

**16:00 - 18:00, Monday 6<sup>th</sup> November 2017**  
**European House, Jungmannova 24, Prague 1**

**Petr Hösl**

PV and Hydro Lead,  
ČEZ Renewable Energy Division

**Vojtěch Kotecký**

Analyst,  
Glopolis

**Petr Rokůsek**

Founder,  
Nano Energies

The debate will be moderated by **Christian K. Lassen**, EUROPEUM Institute for European Policy

**Please register at [bit.ly/PCTno3](http://bit.ly/PCTno3)** or contact us via [europeum@europeum.org](mailto:europeum@europeum.org).  
The lecture will be followed by a Q&A session. Refreshments will be provided.

*The debate will focus on evaluating the current state of renewable energy use in the V4 countries. It will discuss its main obstacles (political, economic, strategic etc.), the question of subsidies, competitiveness and security of supply, as well as the projections for the future developments of the renewable sector in the region.*

Co-funded by the  
Europe for Citizens Programme  
of the European Union
