One year since the Russian attack on Ukraine

Welcome to the second newsletter of February.

This week we held another debate under the title "EU-Pacific Talks: Europe and the Indo-Pacific", this time focusing on the topic "Trade relations with the Indo-Pacific". Debaters discussed the deepening of trade relations between the European Union and the Indo-Pacific, a key trading partner for the EU. If you missed the meeting online, you can watch the full recording [here](#).

We would like to invite you to the online broadcast of the debate "**One year after the Russian attack on Ukraine**", which will take place today, 24 February at 14:00. You can watch the debate [here](#). The invitation was accepted by the President-elect of the Czech Republic **Petr Pavel**, the Vice-President of the European Commission for Values and Transparency **Věra Jourová** and the Chargé d'affaires of the Embassy of Ukraine in the Czech Republic **Vitaly Usatyj**.

We look forward to seeing you in the next newsletter.
